

Product Information

Product: 6 lt. AFFF – slimline version

Type: 6 lt. AFFF cartridge operated

Application: Hospitals, Supermarkets, Hotels, and Restaurants, Paint shops, Fast Food chains, Clothing & Fabric industries, Industrial units, Offices etc.

Features:

- Slimline design
- Easy to handle
- Effective spray application
- Ergonomic design
- Replaces bulkier 9 lt. Water
- Higher performance

Benefits:

- Excellent fire ratings
- Uses 1% AFFF
- Reduced service time
- Reliability
- Knockdown performance
- Ideal for offices

May be subject to technical change

FOAM EXTINGUISHERS are ideally suited where both class A & B fire risks exist. Aqueous Film Forming Foam or AFFF is particularly suited to fight liquid spill fires such as petrol, oil, fats, paints etc. and works by forming a film on the liquid to extinguish the fire. This extinguisher has also passed the electrical conductivity test at 35kv.
