

Product Information

Product: CO2 extinguisher

Type: 2kg CO2 extinguisher

Application: Hospitals, Supermarkets, Hotels, and Restaurants, Paint shops, Fast Food chains, Modern offices, Industrial units, Offices etc.

Features:

- Squat cylinder design
- Easy to handle
- Swivel Horn
- Ergonomic design
- Lightweight Aluminium cylinder
- Quality Product

Benefits:

- Excellent fire ratings
- Easy to handle – compact
- Reduced service time
- Reliability
- Fire fighting performance
- Ideal for modern offices as Halon replacement

C2G	2 kg	Stored pressure	4.75kg	CO2	2 kg		>12sec.	4m	-20°C to +60°C	490	175	120

May be subject to technical change

CARBON DIOXIDE EXTINGUISHERS are suitable for class B risks involving flammable liquids and especially for electrical hazards. These extinguishers have been a natural replacement for Halon. CO2 is harmless to electrical equipment and as such is ideal for modern offices, electronic risks, and fires caused by the combustion of liquids such as: oils, fats, solvents, etc. This unit has the highest fire rating in its class.
