

Product Information

Product: Cartridge Water Extinguisher

Type: 9-litre Water Extinguisher

Application: General-purpose extinguisher. Typical applications can be found in hospitals, supermarkets, hotels, public places, restaurants, industrial units and many others.

Features:

- Robust design
- Controlled discharge operation
- High quality epoxy resin finish (weather resistant)
- Fully BS-EN3:1996 certified
- Unique 'Y' bracket
- Quality lining

Benefits:

- Effective fire fighting performance
- Minimum space required
- Rapid deployment
- Easy product training
- External thread
- Quality at the right price
